

# Partnership

www.kfh.bh

One of the most popular types of account at KFH is the “Unrestricted Investment Account”. This account, known as a “URIA”, is based on the principle of Mudaraba where you (as *rab al mal*) entrust your funds with KFH (as *Mudarib*) who will invest on your behalf.

We invest URIA funds with the bank’s own money – making the bank and its customers “partners”.

We mainly invest URIA funds in our general financing portfolio – a safe investment and this allows us to “share” the profits we receive from this investment. This explains how we are able to offer attractive rates to our unrestricted investment account holders. The return to the investment account holder fluctuates depending on the performance of the underlying general financing portfolio.

Account Type (BHD)	Distributed Profit Rates p.a
Yearly Investment Accounts	5.00%
Six Months Investment Accounts	4.50%
Three Months Investment Accounts	4.00%
Monthly Investment Accounts	3.50%
Investment Savings Accounts (Priority)	1.25%

If you would like to partner with KFH and share our profits, we would very much like to hear from you. Call 77000700 or visit your nearest KFH-Bahrain branch.
