Right to Restriction

5. Reason for restricting the processing of personal data / special category of personal data

Accuracy of the personal data is contested by the data subject and processing is restricted until the accuracy is verified	
Data Subject opposed erasure and requested for restriction on use of personal data	
The organization no longer need the personal data. However, personal data is required by data subject to establish, exercise or defend of legal claims	
Data Subject objected processing, due to pending verification of legitimate grounds for data processing	

6. Possible consequences to data subject on restriction of processing

<Details of consequences to data subject, if personal data is no longer processed>

7. Information to recipients on restriction of processing

Informed recipients on the right to restriction of processing and ensured data is rectified from recipients ecosystems	
--	--

Reason for non adherence to above requirement (if Applicable)

8. Reason for not honoring the right to restriction request of data subject (If applicable)

<Detailed justification for not honoring the request of data subject>
